

The AIHTSagamIMK HUB launched a Continuing Medical Education(CME) and Continuing Professional Development (CPD) Centre for Excellence(CE).

The AIHTSagamHUB CME/CPD/CE in partnership/collaboration with the Kenya Medical Professional and Dentists Board, and McMaster University/Machealth Division of eLearning Innovations, offers multiple learning opportunities to health care providers across the African region.

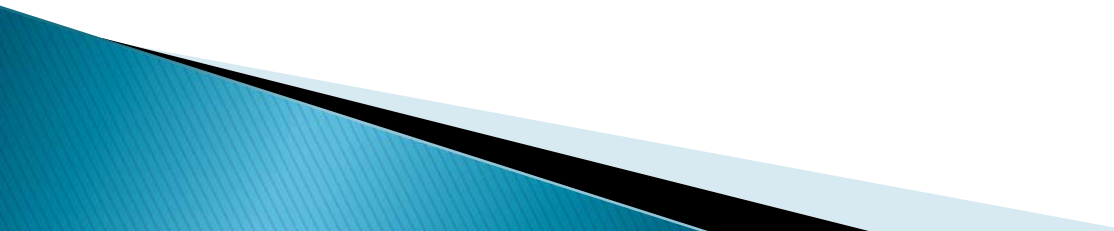

The AIHT Sagam IMK CME/CPD CE programs will support best practices in delivery of health services in a patient-centered environment.

AIHTSagam HUB powered by IMIENS Intelligent Medical Systems

- ▶ 24/7 real-time access to healthcare providers across the African region regardless of remoteness.
 - ▶ Programs embrace a competency-based approach for personal advancements and growth.
 - ▶ Further extends developments of local resource capacities for self-efficacy, empowerment of internal resources.
- 

AIHTSagam/Machealth CME/CPD Africa Programs – Registration Steps

- ✓ Kindly proceed to the next slide for steps to register to view locally developed and localised AIHTSagam HUB /Machealth programs.
 - ✓ Please note that you will find attached the McMaster University / Machealth /AIHTSagam CME/CPD Africa “Getting Started Guide” that you may find helpful.
- 

Step 1 – Please visit the HUB

The Kenya Medical Practitioners and Dentists Board (KMPDB) has approved and accredited AIHTSAGAM/machealth programs for continuing professional development (CME). Participants should only claim credits for the actual hours attended and assigned by the KMPDB for each program.

Step 7- Please now register for the AIHT Machealth courses (this will only need to be done once for security)

The screenshot shows a web browser window with the URL www.aihtsagahub.com/s/app/. The page features the AIHT logo (African Institute for Health Transformation) and a navigation menu with items: ABOUT US, CENTRES FOR EXCELLENCE, R & D, VIRTUAL HUB, NEWS, and YEHUDIT. A user profile for Yehudit Kovalis is visible on the left, with a 'Learn' button above it. The main content area displays the text 'The African Institute for Health Transformation (AIHT). Accredited AIHTSAGAM/machealth+ programs.' Below this, there are three interactive cards: 1) 'Are You New? Register for Courses Here. machealth+' with a red 'Register' button; 2) 'Already Registered? Access Courses Here. machealth+' with a red 'Access Courses' button; 3) 'My Certifications.' with logos for the Kenya Medical Practitioners and Dentists Board and the Institute for Quality Healthcare, and a red 'View Certifications' button. A blue arrow points from the top instruction to the 'Register' button. At the bottom, a disclaimer states: 'The Kenya Medical Practitioners and Dentists Board (KMPDB) has approved and accredited AIHTSAGAM/machealth programs for continuing professional development (CME). Participants should only claim credits for the actual hours attended and assigned by the KMPDB for each program.'

Step 8 - Please complete the registration information

Step 13

You are welcome to explore all Machealth programs. To qualify for accreditation with the KMPDB you must be registered and complete all requirements as required by the AIHT/Machealth HUB

The screenshot displays the Machealth.ca website interface. At the top, the navigation menu includes 'PROGRAMS', 'PARTNERS', 'HELP', 'BLOG', and 'RESOURCES'. A prominent red banner reads 'Programs' with the subtext 'Free CPD courses, patient resources and community forums for you and your peers. All at your fingertips.' Below this, there is a search bar labeled 'Filter Programs by Name' and a dropdown menu set to 'Any Credits'. The main content area features a grid of 24 program icons, each with a title and a brief description. The programs listed are:

- AIHT (AIHTSagam CME/CPD Africa)
- Asthma Action Plan
- Benign Uterine Conditions Online
- CAMH and McMaster Addictions Curriculum Project
- Curriculum of Caring
- DCD (Developmental Coordination Disorder)
- Developmental Surveillance Initiative
- Diagnostic Imaging Quality and Safety
- Emergency Department Asthma Care Pathway
- Extreme Heat Events
- Fertility Awareness
- Fluids and Electrolytes
- HBHC (HBHC Screening Liaison Nurses Community of Practice)
- Hemoglobinopathies
- I-EQUIP
- Interprofessional Education
- Le bilan de santé amélioré à 18 mois en Ontario
- Le Radon
- McMaster Toolkit on Working with Older Adults
- MCQ and CDM Prep
- Mental Health Law: CCB Hearing Preparation
- MentalHealth+
- Ontario's Enhanced 18-Month Well-Baby Visit
- Opioids Clinical Primer

PART TWO

We will take you through an example of one of
The AIHT/Machealth localized courses.

For this purpose we will select:

AIHT Version – Diagnostic Imaging Quality and Safety

Step 1 – Once you select the course you will be redirected within 5 seconds to the portal to select Start this Course

The screenshot shows a web browser with the following elements:
